INDEPENDENT AUDITORS' REPORT

Board of Directors
Turning Point, Inc.
Mount Clemens, Michigan

Report on the Financial Statements

We have audited the accompanying financial statements of Turning Point, Inc. (the "Organization"), which comprise the statements of financial position as of September 30, 2018 and 2017, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of September 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 18, 2019 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

TURNING POINT, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended September 30, 2018 and 2017

NOTE 1 - Summary of Significant Accounting Policies

Nature of Activities

Turning Point, Inc. (the "Organization") provides advocacy, emergency and crisis assistance primarily to women and children who are victims of domestic violence and/or sexual assault in southeast Michigan. The assistance provided includes, but is not limited to, emergency counseling, case planning, safety planning, referrals, advocacy, food, shelter, transportation, and SANE (Sexual Assault Nurse Examiner). The SANE program primarily provides examinations for victims of sexual assault and/or strangulation.

Cash and Cash Equivalents

The Organization defines cash and cash equivalents as highly liquid, short-term investments with a maturity at the date of acquisition of three months or less. The Organization periodically may have deposits with various banks which may exceed federally insured limits. The Organization has not experienced losses in such accounts and believes it is not exposed to significant credit risk related to its cash and cash equivalent deposits.

Accounts, Pledges and Grants Receivable

Accounts, pledges and grants receivable have been adjusted for all known uncollectible accounts. No allowance for doubtful accounts is considered necessary as of September 30, 2018 and 2017.

Sale of Donated Merchandise

The Organization operates a resale shop, Second Hand Rose, through which donations of used clothing and other merchandise are solicited from the public and sold, as well as donated to Turning Point's shelter residents and clients, as part of the Organization's mission. If the sale of these donated items generates revenue it is used to support the Organization's programs. The Organization recorded \$239,108 and \$261,373 as merchandise and other in-kind contributions in the accompanying statements of activities for the years ended September 30, 2018 and 2017, respectively. Selling and administration expense incurred to operate Second Hand Rose of \$302,318 and \$341,758 were also recorded for the years ended September 30, 2018 and 2017. Net proceeds from these activities, prior to depreciation of \$3,293, for 2018 was \$(13,025). Net proceeds from these activities, prior to depreciation of \$3,293, for 2017 was \$(25,833).

Property and Equipment

Property and equipment are stated at cost if purchased or fair value at date of the gift if donated. All acquisitions of property and equipment in excess of \$1,000 and all expenditures for improvements and betterments that materially prolong the useful lives of assets are capitalized. Maintenance, repairs, and minor improvements are expensed as incurred. When assets are retired or otherwise disposed of, their costs and related accumulated depreciation are removed from the accounts and resulting gains or losses are included in income.

Donated property and equipment are recorded as increases in unrestricted net assets at their estimated fair value as of the date received. Contributions of cash that must be used to acquire property and equipment are reported as temporarily restricted contributions. The Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

TURNING POINT, INC.

NOTES TO FINANCIAL STATEMENTS
As of and for the Years Ended September 30, 2018 and 2017

NOTE 1 - Summary of Significant Accounting Policies (cont.)

Property and Equipment (cont.)

Equipment acquired through governmental agency contracts has been capitalized by the Organization. However, the resource provider reserves the right to retain or transfer the title to this equipment. Should the Organization discontinue its contracts with certain resource providers, personal property purchased through these contracts may revert to the resource provider.

Property and equipment are depreciated using the straight-line method over their estimated useful lives.

Impairment of Long-Lived Assets

The Organization reviews long-lived assets, including property and equipment, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable. An impairment loss would be recognized when the estimated future cash flows from the use of the asset are less than the carrying amount of that asset. To date, there have been no such losses.

Advances from the State of Michigan

The Organization received a one-time cash advance from the State of Michigan. The advance consisted of 60 days of program-specific operating expenses to prepare for the upcoming release of the SIGMA program and sustain programming during the fiscal year 2018 year-end closing process. The Organization's reimbursable actual expenditures will be used to replenish the operating advance, which was originally due by the end of fiscal year 2018. The Organization is working with the State of Michigan on repayment timing.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization are classified and reported as follows:

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations. The Organization has temporarily restricted net assets of \$72,750 as of September 30, 2018 and 2017.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. As of September 30, 2018 and 2017, the Organization has no permanently restricted net assets.

TURNING POINT, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended September 30, 2018 and 2017

NOTE 1 - Summary of Significant Accounting Policies (cont.)

Tax-Exempt Status

Turning Point, Inc. has received notification that it qualifies as a tax-exempt organization under Section 501(c)(3) of the U.S. Internal Revenue Code and corresponding provisions of State law and, accordingly, is not subject to federal or state income taxes.

Based on its evaluation, the Organization has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements. The Organization is not currently under examination by any taxing jurisdiction.

Revenue Recognition

Contributions, including unconditional promises to give, are recognized in the period received. Conditional promises are not recognized until they become unconditional, that is when the conditions on which they depend are substantially met.

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Revenue from government grant awards under expense reimbursement programs is recognized in the period during which the related expenses are incurred. In cases where expenses are incurred in advance of receiving the grant, revenue and grants receivable are recorded in the period during which the expenses are incurred. In cases where grants are received in advance of incurring the expenses, deferred revenue is recorded in the period during which the advance is received and recognized as revenue in the period when the related expenses are incurred.

Retroactive determination of allowable costs by resource providers may result in final settlements different from interim payments for reimbursable services submitted by the Organization. Revenue is reported at the estimated net realizable amounts from resource providers for services rendered, including estimated retroactive adjustments under reimbursement agreements.

Donated Services

The Organization receives donated services from volunteers to perform first response and other duties. The services provided do not meet the requirements to be recorded as in-kind revenue and expenses and are, therefore, not recorded in the accompanying financial statements for 2018 and 2017. The number of hours of service was approximately 12,000 and 14,000 for the years ended September 30, 2018 and 2017 respectively. The Organization estimates that it would pay approximately \$180,000 and \$203,000 for such services in 2018 and 2017, respectively. The Organization has applied \$37,527 and \$26,621 of the volunteer time to matching grants for the years ended September 30, 2018 and 2017, respectively.

TURNING POINT, INC.

NOTES TO FINANCIAL STATEMENTS
As of and for the Years Ended September 30, 2018 and 2017

NOTE 1 - Summary of Significant Accounting Policies (cont.)

In-Kind Contributions

The Organization records contributed merchandise donated to Second Hand Rose as a contribution which is in accordance with generally accepted accounting principles. Such merchandise is recorded at its estimated fair value as of the date of the donation.

Donated marketable securities and other non-cash donations are recorded as contributions at their estimated fair values at the date of donation. There were no such items in 2018 or 2017.

Expense Allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

403(b) Retirement Plan

The employees of the Organization are eligible to participate in the Organization's defined contribution plan (Turning Point, Inc. 403(b) plan) covering all eligible employees. The Organization may elect to make a discretionary contribution. There were no contributions to the plan for the years ended September 30, 2018 and 2017.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassification

For comparability, certain 2017 amounts have been reclassified to conform with classifications adopted in 2018. The reclassifications have no effect on reported amounts of net assets or change in net assets.

Subsequent Events

The Organization has evaluated subsequent events through March 18, 2019, which is the date that the financial statements were approved and available to be issued.

TURNING POINT, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended September 30, 2018 and 2017

NOTE 2 - Property and Equipment

The major categories of property and equipment at September 30 are summarized as follows:

	Depreciable Lives	2018	2017
Land	N/A	\$ 36,600	\$ 36,600
Buildings and building improvements	40 yrs.	3,270,112	3,270,112
Motor vehicles	5 yrs.	32,953	32,953
Equipment	5 yrs.	124,770	124,770
Furniture and fixtures	5 - 7 yrs.	73,938	73,938
Leasehold improvements	15 - 20 yrs.	<u>373,667</u>	<u>373,667</u>
Total Property and Equipment		3,912,040	3,912,040
Less: Accumulated depreciation		<u>(939,314)</u>	<u>(802,683)</u>
Net Property and Equipment		<u>\$ 2,972,726</u>	<u>\$ 3,109,357</u>

Depreciation for the years ended September 30, 2018 and 2017 was \$136,631 and \$140,580, respectively.

NOTE 3 - Line of Credit

At September 30, 2018, the Organization has a secured line of credit financing agreement with a bank and has available financing of \$150,000 and an interest rate of 0.9% above prime (total rate of 6.15% and 4.65% at September 30, 2018 and 2017, respectively). The line of credit matures on February 11, 2020. There was no balance outstanding at September 30, 2018 and 2017. Collateral consists of substantially all of the Organization's assets.

NOTE 4 - Long-Term Debt

Debt consists of the following at September 30:

	2018	2017
Mortgage on shelter due in monthly installments of \$3,630, at 5.75% interest. The mortgage is secured by the related building, and is due in 2031.	\$ 227,475	\$ 398,979
Less: Current Maturities	<u>(31,311)</u>	<u>(15,550)</u>
Long-Term Maturities	<u>\$ 196,164</u>	<u>\$ 383,429</u>

TURNING POINT, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended September 30, 2018 and 2017

NOTE 4 - Long-Term Debt (cont.)

Principal requirements on long-term debt for years ending after September 30, 2018 are as follows:

2019	\$	31,311
2020		33,162
2021		35,120
2022		37,193
2023		39,389
2024 and thereafter		<u>51,300</u>
Total	\$	<u>227,475</u>

Debt interest charged to expense was \$19,401 and \$24,434 for the years ended September 30, 2018 and 2017, respectively.

Subsequent to year end, a donation was made to the Organization reducing the mortgage note payable balance to \$0.

NOTE 5 - Net Assets

Temporarily restricted net assets are composed of a United Way Shelter grant for \$72,750 for both September 30, 2018 and 2017.

NOTE 6 - Operating Leases

The Organization leases property under non-cancelable operating leases. Rent expense was \$161,608 and \$159,208 for the years ended September 30, 2018 and 2017, respectively, requiring monthly payments in the amount of \$12,059 for the Mount Clemens location and expiring in November 2022 and \$1,400 for the Saint Clair Shores location expiring in June 2021.

Future minimum lease payments are as follows:

2019	\$	162,158
2020		162,708
2021		158,658
2022		<u>12,059</u>
Total	\$	<u>495,583</u>

TURNING POINT, INC.

NOTES TO FINANCIAL STATEMENTS As of and for the Years Ended September 30, 2018 and 2017

NOTE 7 - New Accounting Pronouncements

During May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") issued ASU 2014-09, "Revenue from Contracts with Customers". ASU 2014-09 establishes principles for recognizing revenue upon the transfer of promised goods or services to customers, in an amount that reflects the expected consideration received in exchange for those goods or services. During August 2015, the FASB issued ASU 2015-14, which defers the effective date of ASU 2014-09. ASU 2014-09 is effective for fiscal years beginning after December 15, 2018. The amendments may be applied retrospectively to each prior period presented or retrospectively with the cumulative effect recognized as of the date of initial application. The Organization is currently assessing the effect that ASU 2014-09 will have on its results of operations, financial position and cash flows.

During February 2016, the FASB issued ASU 2016-02, "Leases". ASU 2016-02 establishes principles that require a lessee to recognize a lease asset and a lease liability for those leases classified as operating leases under previous accounting principles generally accepted in the United States of America. ASU 2016-02 is effective for annual periods beginning after December 15, 2019, and for interim periods within fiscal years beginning after December 15, 2020. The Organization is currently assessing the effect that ASU 2016-02 will have on its results of operations, financial position and cash flows.

During August 2016, the FASB issued ASU 2016-14, "Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities." The new guidance is intended to improve and simplify the current net asset classification requirements and information presented in financial statements and notes that is useful in assessing a not-for-profit's liquidity, financial performance and cash flows. ASU 2016-14 is effective for fiscal years beginning after December 15, 2017. ASU 2016-14 is to be applied retroactively with transition provisions. The Organization is assessing the impact this standard will have on its financial statements.

During June 2018, the FASB issued ASU 2018-08, "Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made". The new guidance is intended to clarify and improve accounting guidance for contributions received and contributions made. The amendments in this ASU should assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. For not-for-profit entities that have conduit debt, ASU 2018-08 is effective for fiscal years beginning after June 15, 2018. All other entities should apply the amendments for fiscal years beginning after December 15, 2018. The Organization is currently assessing the impact that ASU 2018-08 will have on its results of operations, financial position and cash flows.

OTHER INDEPENDENT AUDITORS' REPORTS

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITORS' REPORT

Board of Directors
Turning Point, Inc.
Mount Clemens, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Turning Point, Inc. (the "Organization"), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 18, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL
CONTROL OVER COMPLIANCE

INDEPENDENT AUDITORS' REPORT

Board of Directors
Turning Point, Inc.
Mount Clemens, Michigan

Report on Compliance for the Major Federal Program

We have audited Turning Point, Inc.'s (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended September 30, 2018. The Organization's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal program.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on the Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2018.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

See accompanying notes to schedule of expenditures of federal awards

TURNING POINT, INC.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS For the Year Ended September 30, 2018

Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the Organization under programs of the federal government for the year ended September 30, 2018. The information in this schedule is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

Donated Services

The Organization receives donated services from volunteers to perform first response and other duties. The services provided do not meet the requirements to be recorded as in-kind revenue and expenses and are, therefore, not recorded in the accompanying financial statements for 2018 and 2017. The number of hours of service was 12,000 and 14,000 for the years ended September 30, 2018 and 2017, respectively. The Organization estimates that it would pay \$180,000 and \$203,000 for such services in 2018 and 2017, respectively. The Organization has applied \$37,527 and \$26,621 of the volunteer time to matching grants for the years ended September 30, 2018 and 2017, respectively.

Indirect Cost Rate

The Organization has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.
