Dear Friends,

On Friday, June 24, 2022 we will be hosting our annual Survivor's Golf Outing at Cracklewood Golf Club, in Macomb, MI. We are pleased to host this event every summer and know that its continued success is dependent on community partners like you. We ask that you please consider supporting this event by committing to a sponsorship. It is our hope that we will not only have a financially successful event, but that we will also raise awareness to our cause by bringing community members together and letting our voices be heard.

In our 42nd year, Turning Point is committed to building on its foundation of empowering domestic and sexual violence survivors through access to the following free, comprehensive programs and services: an Emergency Shelter, Housing Opportunities, Trauma Advocacy and Counseling, a 24-Hour Hotline, Personal Protection Order (PPO) assistance, Legal Advocacy, a Forensic Nurse Examiner Program, First Response Advocacy, and Community and Prevention Education.

Last year, we established new Transitional and Rapid Re-Housing programs to eliminate the barrier to safe, affordable housing many survivors face when they leave the shelter. Today, over 30 families have a safe place to call home, where their children can grow and thrive without the threat of violence.

On behalf of the many victims and survivors of domestic violence and sexual assault that will benefit most from your kindness and generosity, we want to personally thank you for your consideration and hope to partner with you in supporting a critical need in our community.

Sincerely,

Sharman Davenport, Ph.D.
President/CEO
